

Exigent Health & Safety Reply Certification Form

When you receive your official REAC inspection and the Inspector visualizes Exigent Health & Safety Issues, The HUD Office of Public Housing requires all Exigent Health and Safety hazards be mitigated immediately.

Public Housing Authorities will receive an e-mail within 48 hours of the inspection notifying the PHA of the existence of Exigent Health and Safety deficiencies.

PHAs are required to repair all EHS items and fax or send the signed certification form attesting that all corrections have been made to the local PIH field office within 10 days after the inspection. HUD may follow up with you to verify the correction of these deficiencies. A copy of the required certification form is attached for your use.

Attached are the form and the Local Field Offices that you need to reply to.
